2219 Sawdust Rd #1004, The Woodlands TX 77380

### **No Show Policy**

Dear Patient,

When you schedule an appointment, you're reserving the Psychiatrist's time specifically for yourself. If you fail to cancel or change an appointment 24 hours in advance, the psychiatrist is unable to offer that time to another patient.

Therefore, appointments must be cancelled or rescheduled at least 24 hours in advance in order to avoid a Late Cancellation charge (50% of the full fee).

It's hard to provide quality care to patients who consistently No show and/or cancel their appointments.

Patients who provide late cancellation or fail to show up for 3 or more consecutive appointments at any time during the course of treatment will be discharged from the practice.

I hereby certify that I read and fully understood the above-mentioned content.

I agree that my electronic signature on this application is binding and enforceable, as if I had signed a paper copy.
